Fiscal Analysis

ASSUMPTIONS:

Department of Justice

1. In calendar year 2002 there were 660 used car dealers licensed in Montana.
2. It is assumed that complaints under the Montana Used Motor Vehicle Warranty Act (HB 634) would be administered by the Department of Administration in the same manner as the New Motor Vehicle Warranties – remedies under 61-4-5, MCA.
3. Complaints of non-compliance with the provisions of this bill would be referred to the Department of Administration.

Department of Administration

4. There is no fiscal impact to the Department of Administration.

TECHNICAL NOTES:

1. It is unclear if passage and approval of HB 571 that includes the movement of the administrative oversight of the New Motor Vehicle Warranties (Title 61 Chapter 4 Part 5, MCA) from the Department of Administration to the Department of Justice would also affect Montana's Used Motor Vehicle Warranty Act (HB 634).
